

# Association for Machines and Mechanisms

Society Registration Number: DRB4/SOR/166/2020-2021

**Association for Machines and Mechanisms (AMM)**, is the Indian national affiliate of the International Federation for the Promotion of Mechanism and Machine Science (**IFToMM**).

The main objective of AMM is to encourage contribution to mechanical design at all levels, from academic projects to industrial production, thus enhancing the quality and the reliability of indigenous machines.

## Main Activities of AMM:

- iNaCoMM Conferences (odd years)
- IPRoMM Conferences (even years)
- Student Mechanism Design Competitions
- Newsletters
- Support to young engineers for participation in IFToMM-sponsored events
- Support to members for conducting workshops/events related to mechanism and machine sciences

## Society Membership:

- Life Membership (Individual): Rs. 1,575/-
- Corporate Membership: Rs. 15,750/-

## Benefits of Membership:

- Discount on the Registration Fee in AMM and IFToMM-sponsored conference and, workshops
- Opportunities to network with researchers working in the field of mechanism and machine sciences
- Recommendation for Young Delegates Program (YDP) Awards to attend IFToMM-sponsored events

## Application for Membership:

- Visit <http://www.ammindia.org>
- Transfer membership amount through online means
- Fill up an online form on the website
- Membership forms are processed in groups and certificates are dispatched at regular intervals

AMM Website

AMM has been associated with NaCoMM (National Conference on Machines and Mechanisms) first held in 1981

NaCoMM was renamed as iNaCoMM (with international status) in 2013 and has been held once every two years (odd years)

IPRoMM (Industrial Problems on Machines and Mechanisms) was first held in 1986

IPRoMM was converted into an International Conference in 2020 to be held once every two years (even years)
